TUITION PAYMENT

Once accepted, your family will be required to enroll online in the FACTS tuition management program. Tuition is due by the first of the month according to the terms of your payment plan. If you choose to pay monthly, you may choose the 1st, 10th, or 20th as your payment date. Go to www.gcarams.org for the FACTS link to enroll. Please refer to the Continuous Enrollment Agreement regarding refund and other financial policies.

**New students: If payments begin after June due to timing of enrollment, monthly payment amounts will increase to reflect the shorter payment period, so that tuition will be paid in full by May 20. If the school year has started, one month's tuition must be paid in advance.*

FACILITY FEE

All students are required to pay an annual facility fee (non-refundable/non-transferable) of \$400. This fee is an investment in existing facilities and future growth. This fee is included in the monthly tuition payment but is due in full in the event of withdrawal for any reason.

CONTINUOUS ENROLLMENT FEE

The continuous enrollment fee holds a place for your student for the following school year and covers registration costs. Beginning in 2017-2018, the continuous enrollment fee for the following academic year is incorporated into the monthly tuition payment. If you withdraw prior to January 31, the monthly payments made toward the continuous enrollment fee will be refunded. For withdrawals subsequent to January 31, monthly payments already made will be forfeited.

NEW STUDENT APPLICATION/ENROLLMENT FEE

A non-refundable application fee of \$100 per applicant is submitted at the time of online application.

After acceptance, to complete the enrollment process, each new student will complete Online Enrollment in RenWeb which will include the creation of a FACTS agreement (for tuition payments). The \$300 non-refundable enrollment fee will be drafted within 5 business days through the FACTS payment plan.
